Part B - Advanced degree question

Advanced degree question

What method will you use to report data on your institution's doctor's degrees and professional degrees on BOTH Institutional Characteristics in Fall 2008 and Fall Enrollment in Winter 2008-09/Spring 2009?

⚪ The new postbaccalaureate degree classifications:

Master's degree

Doctor's degree - research/scholarship

Doctor's degree - professional practice

Doctor's degree - other

To use this method, you will need to recode all doctor's and first-professional degrees into the four graduate level categories listed above. You will also report any first-professional certificates as post-master's certificates. You will be required to use this method when reporting this survey in 2009-10 IPEDS.

🔘 The old postbaccalaureate degree classifications:

Master's degree

Doctor's degree

First-professional degree

⚪ This institution does not have any programs beyond the baccalaureate level.

Please note: The Fall Enrollment data that you will report this winter or spring MUST use the same method for reporting professional programs that you use for the Institutional Characteristics survey this fall. No changes to reporting method will be allowed after the fall data collection closes.

Part B - Organization - Student Enrollment

4. Does your institution enroll any of the following types of students?

Include all levels that your institution offers, even if there are no students currently enrolled at that level.

*Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the Winter and Spring collections. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report pricing data (on the IC survey) and Student Financial Aid data (in the Spring collection) for this cohort. Full- and part-time 2007 Fall Enrollment counts are provided for reference.*
